ROLLING OAKS
MEMORIAL CENTER

About Rolling Oaks Memorial Center

Established in 2008 and encompassing 36 acres, Rolling Oaks Memorial Center is proudly owned, operated, and managed by the City of Coppell. Serving as a compassionate oasis for remembrance, the memorial park features a full-service funeral home and crematory, walking paths, thirteen memorial gardens, an outdoor mausoleum, outdoor cremation niches, and an indoor cremation niche center.

Our grounds also feature peaceful outdoor pavilions, a signature fountain, and the Angel of Hope Statue, which hosts an annual ceremony in partnership with The Zack Thompson Foundation. Additionally, our dedicated Veterans Garden is proud to host the annual Wreaths Across America program. Together, these amenities offer dignified funeral and cremation services, allowing families to create meaningful tributes in a serene environment.

Our Commitment to You

As a municipally managed facility, our employees do not work on commission, referrals, or sales-based quotas. Our sole priority is to serve the community, ensuring every family receives the time, attention, and care they deserve in a completely pressure-free environment.
